

About LuxFlor

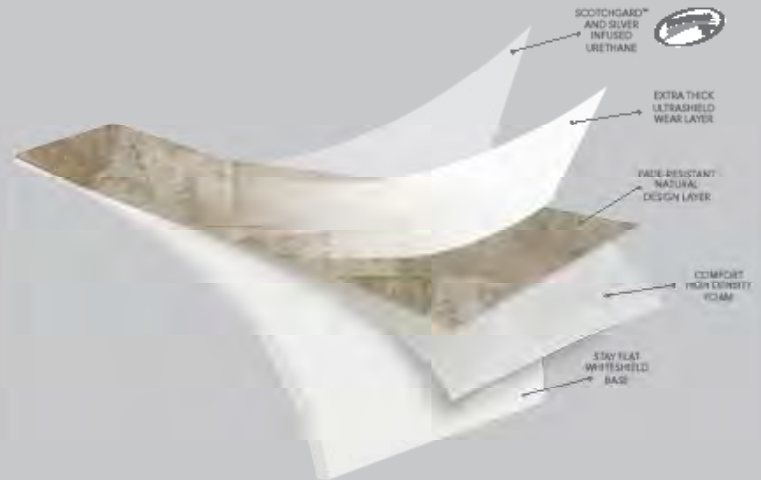

LuxFlor by Congoleum sets a new standard for the manufactured housing industry. LuxFlor by Congoleum offers exceptional durability, contemporary design and installation flexibility unlike any other flooring available.

EFFORTLESS CLEANABILITY

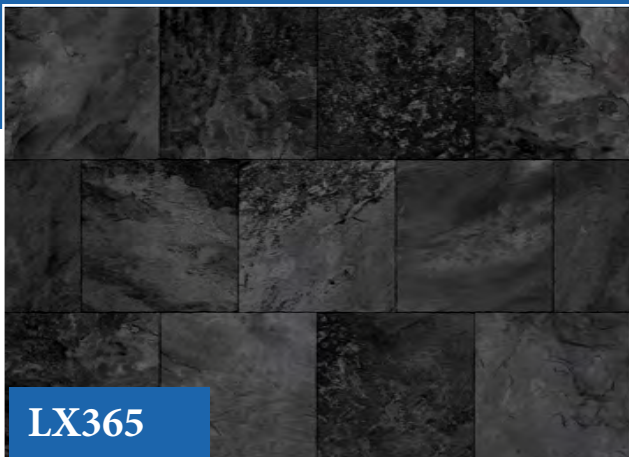

Only LuxFlor by Congoleum offers Scotchgard™ protector for the easiest cleanup.

- Exceptional cleanup and stain resistance including paint and stain, adhesives and drywall dust.
- Industry exclusive Scotchgard has great consumer appeal and will allow homeowners to maintain the original beauty of their floor effortlessly.
- Silver particles infused into the wear layer provide natural antibacterial protection.

WEAR LAYER

Exceptional layer system provides strength, flexibility and dimensional stability
